GEOG 379	Intro to GIS

Courses generally offered every fall:

GEOG 104	Social & Cultural Geography
GEOG 205	Business Location Decisions
GEOG 468	Biological Modeling
GEOG 473	Digital Cartography & Map Design
GEOG 477	Intro to Remote Sensing

Courses generally offered every spring:

GEOG 105	The Digital Earth
GEOG 210	Social & Environmental Issues
GEOG 222	Big Rivers of the World
GEOG 287	Environment and Society (NRES 287)
GEOG 371	Spatial Analysis
GEOG 380	GIS II: Spatial Problem Solving
GEOG 440	Business Applications of GIS
GEOG 446	Sustainable Planning Seminar (UP 446)
GEOG 466	Environmental Policy
GEOG 479	Advanced Topics in GIS
GEOG 482	Challenges of Sustainability (ESE 482)
GEOG 489	Programming for GIS

Courses generally offered every even-numbered fall:

GEOG 406	Fluvial Geomorphology
GEOG 421	Earth System Modeling (ATMS 421)
GEOG 484	Cities, Crime, and Space
GEOG 493	Democracy & Environment

Courses generally offered every odd-numbered spring:

GEOG 356	Geography of South Asia
GEOG 439	Health Applications of GIS (PATH 439)
GEOG 482	Urban Geography

Courses generally offered every odd-numbered fall:

GEOG 408 Humans and River Systems
GEOG 465 Transportation and Sustainability
GEOG 496 Climate & Social Vulnerability

Courses generally offered every even-numbered spring:

GEOG 350 Sustainability and the City
GEOG 436 Biogeography (IB 439)
GEOG 460 Aerial Photo Analysis
GEOG 480 Principles of GIS

Courses offered in varying terms:

GEOG 370 Water Planet, Water Crisis
GEOG 384 Population Geography
GEOG 401 Watershed Hydrology (NRES 401)
GEOG 410 Geography of Development and Underdevelopment
GEOG 412 Geospatial Technology and Society
GEOG 438 Geography of Health Care
GEOG 455 Geography of Sub-Saharan Africa
